## Thank You Curbside Customers!

Thank you for your tremendous support as we transition back to safe catering gatherings.

For 20 years you have called on us as your families celebrated graduations, weddings, birthdays, milestones, and babies.

This isn't New Hampshire - "Our Towne" represents every town in Bucks and Montgomery County. We consider this our community and our home!

Don't hesitate to give us a call. We want to help you make your next event **SAFE** and **SPECIAL!**

**Sincerely,**

Bill Keucher
